## **Subject: Reading Session – Inculcating Reading Habits in Students**

Dear Parents,

To foster a love for reading and enhance language skills among our students, we are introducing a daily 20-minute reading session during school hours. This initiative aims to **inculcate reading habits at an early stage**, develop regular reading routines, and improve vocabulary, comprehension, and imagination.

We kindly request you to provide your child with any **English storybook** of their choice – suitable to their age and interest. The book should be brought to school every day for the reading period.

We look forward to your support in nurturing a lifelong love for reading in our students.

**Warm regards**
