Report Purpose

To orient parents regarding the school's vision and mission, implementation of the National Education Policy (NEP) 2020, National Curriculum Framework (NCF) 2023, CBSE assessment practices, school policies, and to strengthen the partnership between parents and the school for the holistic development of every learner.

Introduction

Chinmay International School successfully organized the Parents' Orientation Programme for the Academic Session 2026-27 on 20th June 2026. The programme was organized to establish a strong partnership between parents and the school while familiarizing them with the academic framework, institutional policies, and educational practices adopted by the school in accordance with CBSE, NEP 2020, and NCF 2023.

The orientation programme served as an important platform to help parents understand their role in supporting their children's academic growth, emotional well-being, and overall personality development. The sessions focused on competency-based education, holistic learning, continuous assessment, discipline, communication, and collaborative learning practices.

The programme witnessed enthusiastic participation from parents, members of the school management, faculty members, and students, reflecting the school's commitment towards creating a collaborative and transparent educational environment.

Outcome of the Programme

The Parents' Orientation Programme successfully achieved its objectives by creating awareness among parents about the school's academic framework, educational philosophy, and institutional policies. It strengthened the bond between parents and the school while fostering mutual trust, transparency, and shared responsibility in ensuring the holistic development of every learner.

The programme enhanced parents' understanding of competency-based education, continuous assessment, value-based learning, and the importance of active parental involvement in the educational journey of their children.

Conclusion

The Parents' Orientation Programme 2026-27 was a highly informative and enriching initiative that reinforced the importance of collaborative efforts between the school and parents in nurturing confident, responsible, compassionate, and future-ready learners. The sessions provided parents with valuable insights into the implementation of NEP 2020, NCF 2023, the CBSE assessment framework, and the school's academic vision and institutional policies.

The Management of Chinmay International School extends its heartfelt appreciation to all parents for their active participation, valuable interaction, and continued trust in the institution. The school remains committed to providing a safe, inclusive, innovative, and learner-centred educational environment where every child is empowered to achieve academic excellence, develop strong character, and contribute meaningfully to society.

CLOSING MESSAGE

“A strong partnership between parents and the school is the foundation of every child's success. Together, let us inspire, nurture, and empower our learners to become lifelong learners, responsible citizens, and compassionate global leaders.”
